

MR SINGH'S WEEKLY MESSAGE

Dear Parents and Carers,

I hope this message finds you well as we settle into another busy and exciting term. I would like to take this opportunity to thank you for your continued support in ensuring your child has the best possible experience at school.

I want to take this opportunity to talk to you all about attendance. Regular attendance is crucial to your child's success at school. Each day of learning is carefully planned, and missing even a single day can create gaps that affect your child's progress. Consistent attendance also fosters friendships, builds routines, and nurtures a positive attitude towards education.

If your child ever complains of minor aches or feeling unwell, I encourage you to still bring them into school. Our staff will carefully monitor them throughout the day and contact you if necessary. In many cases, children feel better once they are engaged in their learning and surrounded by their peers.

Let's work together to ensure our children can make the most of every learning opportunity!

Mr Singh

PLEASE SEE BELOW FOR KEY MESSAGES

SCHOOL UNIFORM AND COATS

As we navigate the colder months, please make sure your child arrives at school in full school uniform. This reflects pride in being part of our school community and helps create a sense of belonging for all children.

Additionally, with the cold weather setting in, it's vital that children come to school dressed appropriately for the season. Please ensure your child brings a warm winter coat every day, as we will continue to encourage outdoor play and activities whenever possible. Hats, scarves, and gloves are also recommended to keep them comfortable and healthy during this time of year.

PACKED LUNCHES

As part of our commitment to supporting the well-being and academic success of every child, I want to highlight the importance of providing a healthy packed lunch. Nutritious meals not only fuel children's bodies but also their minds, helping them stay focused, energized, and ready to learn throughout the school day.

A balanced packed lunch should include a variety of foods from the main food groups, such as:

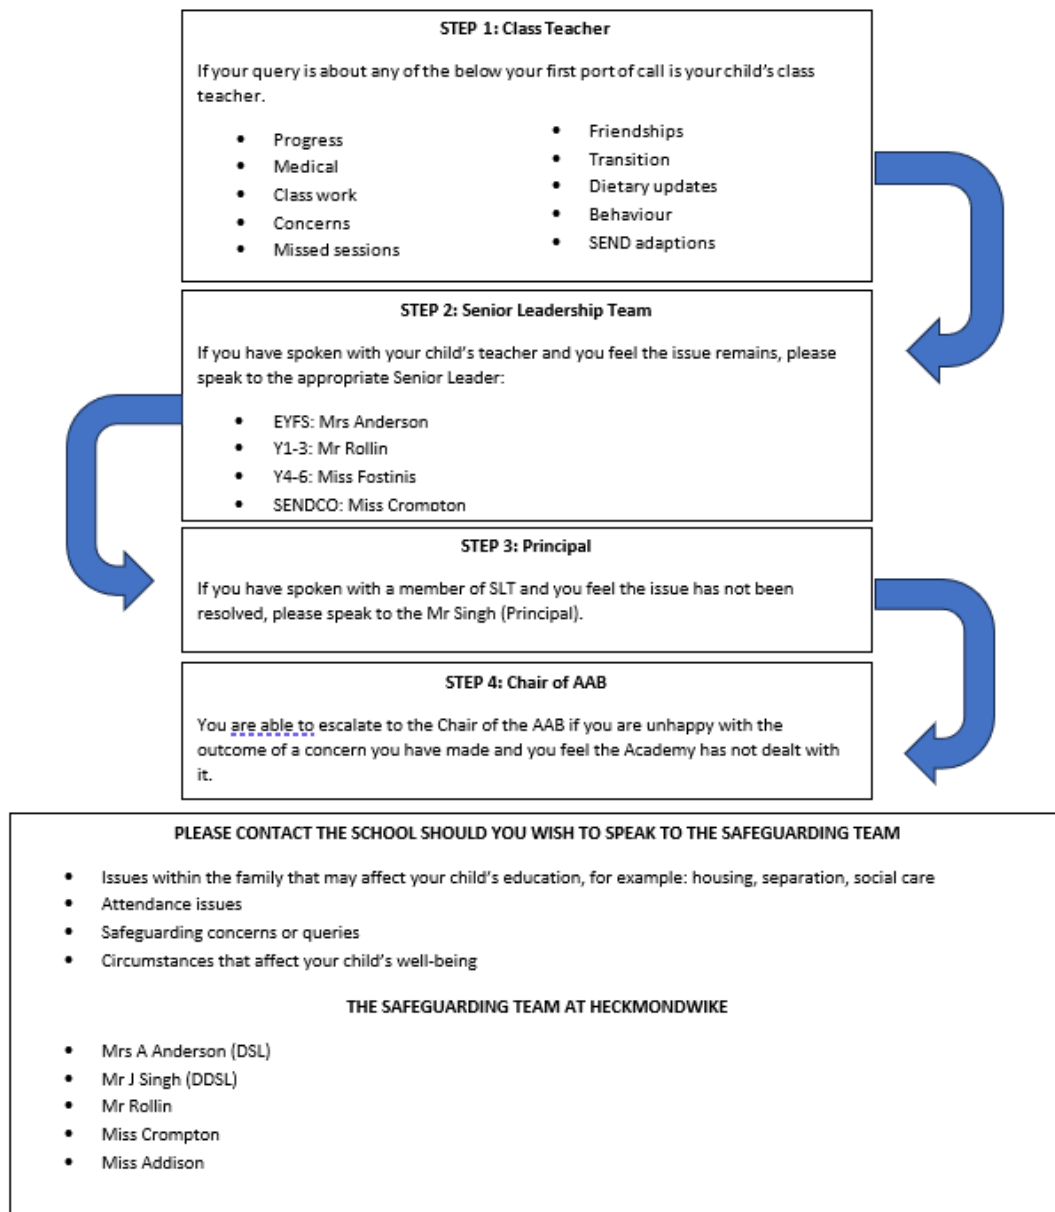

- **Fruit and Vegetables:** These provide essential vitamins and minerals to keep your child healthy.
- **Protein:** Options like lean meats, eggs, beans, or dairy products help with growth and repair.
- **Whole Grains:** Foods such as wholemeal bread, rice, or pasta offer long-lasting energy.
- **Dairy or Dairy Alternatives:** These are important for strong bones and teeth.

Please try to limit sugary snacks and drinks. Water is the best drink to accompany their lunch, ensuring they stay hydrated throughout the day.
